

The conference attendees vote for the **best demonstration** and **best paper presentation** awards.

To vote, you need the **token** that you should have received **at the registration desk**.

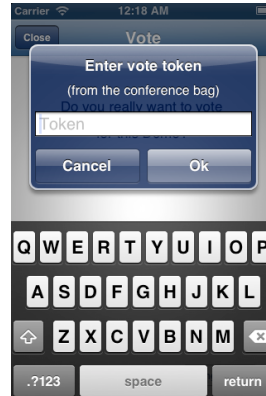

1. Enter Token

The app asks for the token the first time you want to submit a vote.

Alternatively, you can change the token in the settings.

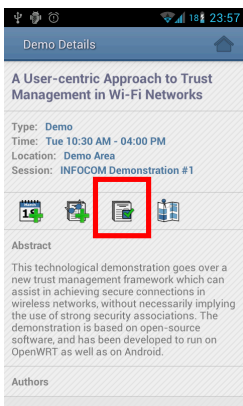

The app asks for the token the first time you want to submit a vote.

To change the token, click on "change token" in the vote dialog.

2. Best DEMO

Each attendee can vote for up to **THREE DEMOS**. The demo that receives more votes wins.

To submit or undo a vote, click on the vote icon located in the middle of the demo detail screen.

You can search for the demo you'd like to vote in the program or by using the search feature.

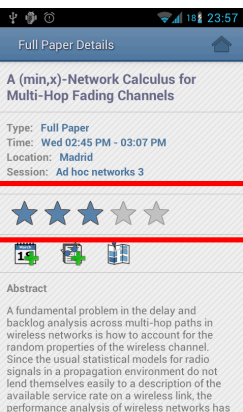

To submit or undo a vote, click on the vote icon located at the bottom of the demo detail screen.

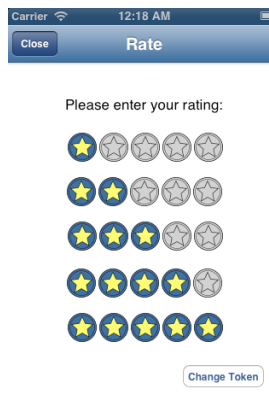

You can search for the demo you'd like to vote in the program or by using the search feature.

3. Best PRESENTATION

Each attendee can **rate any presentations** on a scale from 1 (bad) to 5 (very good). Rating is only possible during presentations.

To submit or change a vote for presentations, click on the stars in the middle of the paper details screen.

To submit or change a vote for presentations, click on the vote icon located at the bottom of the demo detail screen.

Then, click on the respective rating.
